- You should only translate the green text
- Square brackets surround link-text [link-text], which should be translated
- Web-addresses are included inline, but should not be translated

Instructions / explanations	Translated Text
Title / Subject	**Give every Webex attendee a voice with Slido live polls and Q&A**
Paragraph	With Slido, it's never been easier to get opinions and feedback from your team. Create polls instantly and engage with everyone, whether you're in a team meeting or a hybrid town hall with thousands of attendees.
Sub-heading	**Unlimited polls and quizzes**
Paragraph	Start your meeting with a word cloud, check for understanding with a quiz, build stronger connections with a multiple-choice poll, and get feedback on your performance with a quick survey.
Sub-heading	**Foster an inclusive culture**
Paragraph	Enable two-way communication with Q&As to build trust and forge stronger connections. Make everyone feel heard and connected, whether they're shy, vocal, in the room, or online.

Sub-heading	**Works before, during, and after your meeting**
Paragraph	Use [a link https://community.sli.do/running-a-slido-event-81/collect-questions-before-your-meeting-or-event-402] to utilize Slido outside of your meeting so you can collect questions ahead of time, gather feedback after, and include everyone who can't join in real-time.
